Online Training - For those providers who weren't able to join us for our Mealtimes with Toddlers zoom classes, you will need to create an account at <https://learning.ksde.org> and choose an approved class from the list below. If you have taken online classes before for your CACFP credit then you can't take the same class again. It must be a class you haven't taken before and it must be on the approved list. After completing the class we will need a copy of the certificate by mail or email. You will need 2 hrs of credit for CACFP. Please contact the office if you have any questions.

Go to <https://learning.ksde.org> and sign in, then choose Child Nutrition and Wellness under the Course Categories. Two sub-categories are Child Nutrition Programs (general classes) and CACFP, the approved list for Child Nutrition Programs (general classes) are: Food Safety Basics (3hr), Gluten Free Diet (1hr), Sodium Savvy (1hr), Pick a Peck of Produce (1.5hr), It's Time to Get Down and Dirty (2hr), and Managing Food Allergies (1hr). The approved list for CACFP are: Using the Crediting Handbook (2hr), CACFP Child and Adult Meal Pattern (2hr), CACFP Family Style Meal Service (1hr), Grains 101 (3hr), Feeding Infants in the CACFP (3hr), and Smarter Mealtimes (1.25hr).

JC Family Home Association is an equal opportunity provider, employer, and lender.

Important information.

- Reimbursement rates for July 1, 2021 will be printed in the August Newsletter, the rates will also be posted to <https://www.jcfamilyhomeassociation.com> as soon as I have them and I'll post on Facebook.
- The home visit waiver allows us to do visits by video, this is the exception not the rule. We have been doing visits by video for about 6 months now; however, we can still show up unannounced at your door for a visit. We will follow whatever COVID procedure you have in place.
- All providers will be tier 1 by COVID-19 Area Eligibility waiver for July 1, 2021 - June 30, 2022. If you are currently a tier 2 provider or tier 2 mixed you will be sent the necessary forms in July. Please contact the office by July 23, 2021, if you haven't received a Tier 1 by COVID Area Eligibility waiver form. When you receive the form please sign and date the form and mail back to us. Any tier 2 provider who doesn't wish to be paid the tier 1 rate will need to contact the office. Current rates for comparison purposes can be found at <https://www.jcfamilyhomeassociation.com>. Current tier 2 providers will be paid tier 1 for all daycare children in your care starting July 1, not for your own children. If you have questions about claiming your own children please contact the office. **Any tier 2 provider who doesn't return the form signed and dated will be paid at the tier 2 rate. All providers do qualify; however, without your signature and date on that form, received in the office before the documentation due date of August 16, 2021, you will be paid at the tier 2 rate for the month of July and all months following until we receive the form.**
- Emergency Cost Allocation funds were approved and will be distributed as early as August - details are still coming to us. A letter will be sent to you along with the funds with the explanation. I don't have information on who will receive the funds or how much.

Fluid Milk Substitution Chart

KSDE has updated the fluid milk substitution criteria chart for Child Nutrition Programs. The required amount of nutrients per cup has not changed; however, the percent daily value on the nutrition facts label has changed. KSDE also added the micrograms for Vitamin A and D in addition to the nutrient value in International Units (IU) as many manufacturers now use. This chart will be mailed to you with the renewal packet in October, 2021, if you need information before then please contact the office and it will also be posted at <https://www.jcfamilyhomeassociation.com/forms>. As a reminder, non-dairy fluid milk substitutions that meet the requirements of the nutrients listed in the "Required Amount Per Cup" column may be served without a meal modification form. If the product doesn't meet the requirements then we have to have the meal modification form that can also be found at <https://www.jcfamilyhomeassociation.com/forms>.

Summer Food, Summer Moves is a fun, hands-on resource kit designed to get kids and families excited about healthy eating and physical activity during the summer months. The kit is designed for use by summer meal site operators and focuses on using music, games, art, and movement to motivate kids and families to choose more fruits and vegetables, choose

water instead of sugary drinks, get enough physical activity every day, and to limit screen time.
