JC Family Home Association is an equal opportunity provider, employer, and lender.

Important information.

- End of the year 1099 reports were mailed with your December check information. Yellow half sheet of paper.
- **We have some goodies to give away! Family Child Care Food Safety Kit. We will do a drawing for the kit. You will earn one ticket by us receiving your Dec, Jan, Feb, and March claims by the 7th of the months they are due. You will earn a ticket by having your paperwork up-to-date when Chris calls you for your visit, you will earn a ticket by having no write ups as a result of the home visit. Family Child Care Food Safety Kit consists of the following: One insulated tote for groceries or field trips, one magnet with the cooking temperatures, one food thermometer, two fridge & freezer thermometers, food safety guide, feeding infants booklet, handwashing poster and a pen. April Newsletter will announce who won and then we will work out how to get them to you. We have several of these so look forward to winning one!**
- Daily Attendance, we have noticed on recent video visits the attendance isn't being done daily. The way the Federal USDA peeps looks at this is if the child isn't there for the day then the child couldn't eat any meals. The way most of you see it is if the child ate meals then the child was there. We have to enforce the USDA point of view on this and hold to the regulation. When the daily attendance isn't filled in or marked correctly then the whole day of meals could be disallowed. Please be diligent and fill out your paperwork daily. Thank you.
- **Training is coming by zoom soon. Please be patient as I'm working on something special, hopefully it will be ready to announce in February's Newsletter.**
- **CACFP week is up and coming in March, do some googling and see how we can raise parents' awareness of the great nutrition your little ones receive because of the wonderful menus you offer. When posting to social media please use the below hashtag.**
